

Build a Molecule Pre-Lab

1. We use symbols to represent atoms.

- What is the chemical symbol for the atom Hydrogen? _____
- What is the chemical symbol for atom Oxygen? _____
- What is the chemical symbol for the atom Carbon? _____

2. We use chemical formulas to represent individual molecules and groups of molecules. Write the chemical formula below each molecule or groups of molecules.

3. Try it!

a. Draw CO_2	
b. Draw $2\text{H}_2\text{O}$	
c. Draw 3N_2
