# GRAPHING MOTION POSTER PROJECT

INSTRUCTIONS: Your group needs to come up with a children's book (presented on a poster) that has 3 scenes, each scene must have a picture and a story to go with the graph given! The story for each scene must include at least 1 sentence per # on the graph (label each sentence as to which number it pertains to on the graph) **READ** the labels on the graph!!! Your story must be accurate!!!!
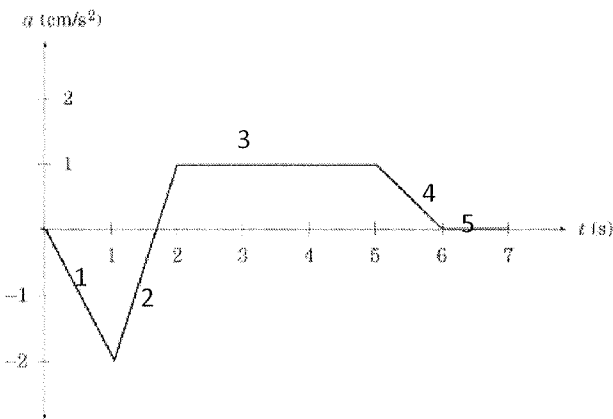

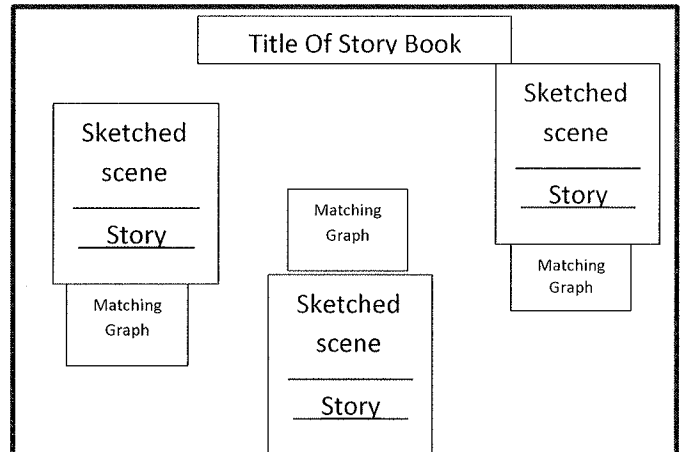

Scene 1

Scene 2

Scene 3

POSTER EXAMPLE LAYOUT

NOTE:

Each graph must be re-sketched and labeled with the scene number.

Must include color

Must include a story line that matches all scenes

Scene 1

- Once upon a time there was a radical rabbit who was very hungry. 1) He was sitting in his house for about one second when he decided to go looking for some carrots. 2) He hopped out of his house and went north for about 1.5 meters. 3) All of a sudden he ran into his sister and they stopped and chatted for about two seconds. 4) She told him that he had passed the carrot cart store and so she turned him around and hopped with him about 1 meter back from where he came. It took them just about 2 seconds to get to the carrot cart where they ate happily every after!

GRAPHING MOTION POSTER PROJECT RUBRIC

Scene 1	Very poor	Poor	Average	Excellent
Colorful Scene matching Story	2	3	4	5
Story Matches #1	2	3	4	5
